Which will be their basic weapons? Ideas will be, and consciousness. Who will sow them, cultivate them and make them invincible? You will. Is it a utopia, just one more dream among so many others? No, because it is objectively inevitable and there is no alternative to it. It has been dreamed of before, only perhaps too early. As the most visionary of the sons of this island, Jose Marti, said: "Today's dreams will be tomorrow's realities".
